Execute Guide

DS Assignment#2

110503523 王以豪

◆ To compile the code:

```
> make
    gcc -c src/rule.c -o build/rule.o
    gcc -c src/main.c -o build/main.o
    gcc -c src/data.c -o build/data.o
    gcc -c src/watcher.c -o build/watcher.o -lev
    gcc build/rule.o build/main.o build/data.o
    build/watcher.o -o bin/chess -lev
```

◆ To run the executable file/ execute the code:

[1] Start a new game:

```
> make run
    ./bin/chess -n -s game.txt
```

[2] Load a saved game:

```
> make load
    ./bin/chess -l game.txt
```
